Activity 02 Checklist - Prompt an Evidence-Led Infographic Brief

Name / Group: _____ Date: _____

Tick each item before submission:

[ ] Audience question and action are explicit

[ ] Infographic form matches the relationship

[ ] Wireframe works without colour

[ ] Reading order is obvious at thumbnail size

[ ] Space exists for source and accessibility notes

[ ] Synthetic data is not presented as real operational evidence.

[ ] AI tools, prompts, sources and material human changes are recorded.

[ ] CSV, XLSX and PPTX files open correctly and retain editability.

Debrief standard: The wireframe communicates objective, hierarchy, evidence, flow, action and source space before visual styling begins.
