Activity 07 Checklist - Peer Coaching and Story Review

Name / Group: _____ Date: _____

Tick each item before submission:

[ ] Feedback contains observations, not taste-only comments

[ ] Every score has evidence

[ ] One high-impact change is prioritised

[ ] Revised PPTX remains editable

[ ] Reflection explains how the change affects audience understanding

[ ] Synthetic data is not presented as real operational evidence.

[ ] AI tools, prompts, sources and material human changes are recorded.

[ ] CSV, XLSX and PPTX files open correctly and retain editability.

Debrief standard: The review log contains observed evidence, a principle-based diagnosis, one prioritised change, a named owner and an acceptance check.
